## The Annual Fund

The Annual Fund is the vehicle which provides the resources necessary to secure the operations of the Hillsborough County Bar Foundation. In order for the Foundation to maintain its mission to support and promote projects and programs which encourage assistance to those in our community in need of legal assistance we must rely on those who step forward and make a commitment to support the annual fund. During this time of economic uncertainty, the charities who have received support from the Bar Foundation are facing even greater needs. For us to be able to reach out to the charities, we need your assistance. Annual Fund contributions are tax deductible and can also be made in honor or memory of a colleague or loved one.

Please join the members of the Bar Foundation Board of Trustees and Bar Association Board of Directors as well as your colleagues and friends and make a gift to the annual fund. Your gift will help make a difference in our community!

Contributions can be mailed to:      The Hillsborough County Bar Foundation  
1610 N. Tampa Street  
Tampa, FL 33602

Gifts can be made by credit card including MasterCard, VISA or AMEX by faxing or e-mailing the Annual Fund pledge form on the Foundation page of the Bar Association website or by calling the Foundation office at (813)221-7774.

*Our thanks to those who continue to support the Annual Fund  
and the efforts of the Hillsborough County Bar Foundation!*
