

# HILLSBOROUGH COUNTY BAR ASSOCIATION 2008-09 Annual Legal Pictorial Directory LAW FIRM LISTING FORM

Listing your law firm in the HCBA directory offers lawyers the ability to cross-reference your individual listing with others in your firm. It advertises your firm's name and promotes a lawyer's association to that particular firm..

- **The cost of listing a law firm is \$30.00 member, \$60.00/non-member.**
- **Listing firm attorneys is an additional \$2.50 per attorney.** Most law firms list their attorneys in alphabetical order or order of seniority.
- This purchase also **prints your law firm name under each lawyer's name** in the lawyer's (individual) section.
- **We recommend listing all office locations.**

In order for your firm to be listed in this section of the directory, this form must be completed and returned to HCBA by **June 20, 2008**. If this listing is not purchased, only your name will appear in the lawyer section (not your firm). All HCBA members will receive the directory free of charge as a free member benefit. Be sure your law firm is listed.
